JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 23 April 1973

25X1

1. [] Met with Ralph Preston, House Appropriations Committee staff, and returned to him the copies of the House and Senate CIARDS briefings together with copies of the General Graham article which he had requested. He commented that he hoped that we would not be too long in responding to the Committee's questions to the Director in the meeting of Wednesday, 18 April.

25X1

2. [] Met with Robert Hodges, Legislative Assistant to Representative Floyd Spence (R., S.C.), concerning the constituent correspondence from [] I reviewed the correspondence in detail with Hodges and explained to him our inability to comment officially on such documents. Hodges thanked me for coming by and told me that he would attempt to avoid any further correspondence on the subject.

4. [] Alerted Jim Gehrig, Senate Aeronautical and Space Sciences Committee staff, on preparations which the Soviets are making for the launch of another space booster. I told him the exact nature of this launch is unknown but discussed several alternative possibilities. Gehrig asked if we would keep him posted whenever we obtain any additional information.
